PROVEN Business Skills Training Success

Since the program started in 2007, more than **12,000 employers** have sent over **200,000 employees** to be trained at New Jersey's **18 Community Colleges.**

Free Skills Training ENSURES YOUR ECONOMIC GROWTH

New Jersey's Workplace Literacy and Basic Skills Training Program is a partnership of the New Jersey Business & Industry Association, the New Jersey Community College Consortium for Workforce and Economic Development, and the New Jersey Department of Labor and Workforce Development. The partners (representing business, higher education, and state government) came together to ensure New Jersey businesses have a well-trained and highly skilled workforce for future economic growth and prosperity.
