**11. STRATEGY**

**12. FY2026 State Budget and Legislative Update**

- **FY2026 State Budget**

Heidkamp reported, in the last weeks, we have learned that our request to the State Legislature for a resolution to restore \$20 million in operating aid in the FY2026 state budget is on track due to the widespread support of legislators across the state. The resolution will take the form of a “common resolution” that is supported by Senate and Assembly leadership. We are hopeful that the State Legislature will restore funding for the Summer Tuition Assistance Grant (Summer TAG) program in the FY2026 state budget as well. We will continue to keep the Council updated as things take shape.

- **Legislative Update**

Heidkamp reported that we have made significant progress in the State Legislature on all of the six Opportunity Agenda bills, including the County College Contract Law. The bills have been considered by the full Assembly and by various Senate and Assembly Committees. We expect some movement on the bills through June 30, but will be prepared to work with the State Legislature through the “lame duck” session as necessary.

**13. Other Business**

Jessica Purnell discussed the upcoming ACCT Awards with the Council encouraging members to submit nominations. The full details for the ACCT Awards and nomination process will be

forwarded to the Council following the meeting.

**Meeting Adjourned.**
